

# Riot

Spiderbait

Body one  
Body two  
Skin and bone  
Me and you

All the heat  
From the street  
In a heap  
Get a seat

Take it out to see the riot  
Take it out to see the riot  
Take it out to see the riot  
You can go right out and buy it

Get away  
Here to say  
Gotta say  
What a day

What a love  
Make me cross  
(something)  
Let me die

Take it out to see the riot  
Take it out to see the riot  
Take it out to see the riot  
You can go right out and buy it

Take it out  
Take it out  
Take it out  
Take it out  
Take it out  
Take it out  
Take it out  
Take it out

Take it out to see the riot  
Take it out to see the riot  
Take it out to see the riot  
You can go right out and buy it
