Run

Spiderbait

Ooo Ooo, whatta you do?
Come-a-running after you
Gonna chase you 'till your hair turns blue
Up the hill and around the bend
Gonna get you in the end
Better look out baby when I do

Run! Run! Run!
Coming to get you
Run! Run! Run!
I'm running

Oh Oh, Don't go slow
Ain't about to let you go
Gonna chase you 'till your hair turns grey
Up the hill and around the bend
Gonna get you in the end
Never gonna let you get away

Run! Run! Run!
Coming to get you
Run! Run! Run!
I'm running

Ooo Ooo, whatta you do?
Come-a-running after you
Gonna chase you 'till your hair turns blue
Up the hill and around the bend
Gonna get you in the end
Better look out baby when I do

Run! Run! Run!
Coming to get you
Run! Run! Run!
