

You been bad,  
Don't do what I say  
You don't listen,  
And you never obey  
Try to teach you,  
But you just won't be good  
You won't behave the way  
A big girl should.  
It's time to give the whip a crack,  
I'm gonna have to send you back to  
Bitch School.  
Bitch School.

You're a beauty,  
You're the best of your breed  
You're a handful,  
And I know what you need  
You need training,  
Gonna bring you to heel  
I'm gonna break you with my will of steel  
Discipline's my middle name  
And no one comes back the same from  
Bitch School  
Bitch School

No more sniffing strangers, or running free at night  
You think my bark's bad, honey  
wait till you feel my bite,  
wait 'til you feel my bite.

You got problems  
You whine and you beg  
When I'm busy,  
You wanna dance with my leg  
I'm gonna chain you,  
Make you sleep out of doors  
You're so fetching when you're down on all fours  
And when you hear your master,  
You will come a little faster, thanks to  
Bitch School.
