

## Heavy Duty

Spinal Tap

No light fantastic ever crosses my mind  
That meditation stuff can make you go blind  
Just crank that music to the point of pain  
Why waste good music on a brain?

Heavy, Duty  
Heavy duty rock and roll  
Heavy duty  
Brings out the duty in my soul

I see you dancing there in front of the band  
You're playin' the solos with no guitar in your hand  
I don't pull no punches I wouldn't waste your time  
And just cause it pays, that ain't no crime

Heavy, duty  
Heavy duty rock and roll  
Heavy duty  
Brings out the duty in my soul

Don't need a woman, I won't take me no wife  
I get the rock and roll and that'll be my life  
No page in history baby- that, I don't need  
I just want to make some eardrums bleed

Heavy, duty  
Heavy duty rock and roll  
Heavy duty  
Brings out the duty in my soul
