

# Rock And Roll Creation

Spinal Tap

When there was darkness  
and the void was king and ruled the elements  
when there was silence and the hush was almost deafening  
out of the emptiness: salvation  
salvation, rhythm and light and sound

it was the rock 'n' roll creation  
it was a terrible big bang  
it was the ultimate mutation  
ying was searching for his yang  
and he looked and he saw that it was good

when i'm alone beneath the stars and feeling insignificant  
i turn within to see the forces that created me

i look to the stars and the answer is clear  
i look in the mirror and see what i fear

it is the rock 'n' roll creation  
it is the absolute rebirth  
it is the rolling of the ocean  
and the rocking of the earth  
and i looked and i saw that it was good
