Rock And Roll Creation

When there was darkness and the void was king and ruled the elements when there was silence and the hush was almost deafening out of the emptiness: salvation salvation, rhythm and light and sound

it was the rock 'n' roll creation it was a terrible big bang it was the ultimate mutation ying was searching for his yang and he looked and he saw that it was good

when i'm alone beneath the stars and feeling insignificant i turn within to see the forces that created me

i look to the stars and the answer is clear i look in the mirror and see what i fear

it is the rock 'n' roll creation it is the absolute rebirth it is the rolling of the ocean and the rocking of the earth and i looked and i saw that it was good **Spinal Tap**
