

# Consumed (Obsessive Compulsive)

Spineshank

Punctured lungs!!!  
I'm out of breath  
This time I'm suffocating  
I've had enough now  
Too numb there's no resisting  
Becoming one  
With all your failure  
No coming back now  
This bridge has been burned  
Try to cut the cord  
Tear away  
Or I will never be the same  
Trust breaks like bone  
Violence shows  
Reject and throw it all away  
Consume the fight in me  
Suspend reality  
If it stops the room from spinning  
Repressed identity  
Escape reality  
You killed the cause  
This keeps repeating  
Live through the loss now  
Redeem your enemies  
Recycled thoughts  
Feed your delusion  
Your lie outgrows you  
Becomes its own truth  
Still it seems so wrong  
The way you think  
And I will never understand  
Faith broke like bone  
Weakness shown  
You lost and threw it all away  
Consume the fight in me  
Suspend reality  
If it stops the room from spinning  
Repressed identity  
Escape reality  
If it stops the room from spinning  
Puncture my lungs!  
Puncture my lungs!  
Noooooooo!!!  
Puncture now!  
I've never felt your emptiness  
It makes me sick now  
Obsessive with your reasons  
Compulsive with your failure  
Try to cut the cord  
Tear away  
Or I will never be the same  
Trust breaks like bone  
Violence shows  
Reject and throw it all away  
Consume the fight in me  
Suspend reality  
If it stops the room from spinning

Repressed identity  
Escape reality  
If it stops the room from spinning  
How can you live with yourself?  
How can you live with yourself?  
How can you live with yourself?  
How can you live with yourself?
