

Forgotten

Spineshank

You're the one who
You're the one who steals
The light from
I'm the one who feels
The fallen
I believe you're nothing but a problem
Everything is so fake
You're just a motherfucking sight to see and
Time will block the vision
Life with you is so vague
It's like I'm living in a dream
I have wondered why this always happens?
Everything just falls away
Soon you'll be the one who is forgotten
It's so close but it's so far away
You're the one who
You're in disbelief
I watch you
Thought you could achieve
Or try to
Once I thought this life was never ending
Must have been my mistake
You're just a motherfucking
Accidental bending and abusing
I should've known that you and
Your intentions weren't for good
I have wondered why this always happens?
Everything just falls away
Soon you'll be the one who is forgotten
It's so close but it's so far away
You're the one who fled
The violence
I'm the one who broke
The silence
I will sew the hole you left inside me
Leaving you in the past I will relive
I have wondered why this always happens?
Everything just falls away
Soon you'll be the one who is forgotten
It's so close but it's so far away
I have wondered why this always happens?
Everything just falls away
Soon you'll be the one who is forgotten
It's so close but it's so far away
It's so close but it's so far away
