

Undo this guilt, bathing in filth  
Grey that lurks inside of me  
    Grey, feel I can't take it  
Grey that works inside of me  
Grey  
Slowly I run, hurt me for fun  
Grey that lurks inside of me  
    Grey, feel I can't take it  
Grey that works inside of me  
Grey  
    See is all I say - all I see is grey  
    See is all I say - all I see is grey  
Grey...all I see is grey  
Undo this guilt, bathing in filth  
Grey that lurks inside of me  
    Grey, feel I can't take it  
Grey that works inside of me  
Grey  
    See is all I say - all I see is grey  
    See is all I say - all I see is grey  
All I see is grey...
