

## Stain

Spineshank

Fall in denial of  
I break I give into myself  
Control, I break  
I cannot be saved again  
Before you take all that was to be mine  
Give in because everything you taught will become

Burned, in my mind  
Burned, redefined  
Burned, sterilized  
Burned, why?

Stain all the undeserved  
Deny my insight has become  
Control I break  
Suffocate inside me  
Before you take all that was to be mine  
Break it down cause everything you taught will become

Burned, in my mind  
Burned, redefined  
Burned, sterilized  
Burned, why?

Start the machine
