

Sex Bomb

Spinnerette

I don't want another man
I cry myself to sleep at night
Thinking of your love in me
Oh baby please come back and be

Oh won't you, be my daddy
Love you oh, no other daddy can tell me what to do
Oh won't you be my daddy, please me daddy
Be my daddy please!

I love you madly... sex bomb

I don't want another man
Sleeping in my room at night
Don't want his dirty fingers
Up inside my thighs

Oh won't you, be my daddy
Love you oh, no other daddy can tell me what to do
Oh won't you be my daddy, please me daddy
Be my daddy please!

I love you madly... sex bomb
I love you madly... sex bomb
I love you madly... sex bomb
