

## Mushroom Tea Girl

Spiritual Beggars

I've ended the vision of being sane  
Tucked the image into bed  
I'm sweating denials from the tip of my tongue  
You wouldn't believe this nation of pills  
Shaking water, my head in a haze  
Taste me baby, but you can't save my head  
Bring a cup of mushroom tea  
Take a swim inside of me
