Street Fighting Saviours

Spiritual Beggars

Street fighting saviours Flashes down the street Got my mind on the favours Damn hard to make ends meet

Way above the action Next to a liars mind Trying to build some attraction I guess it's hard to find

Don't take it for granted - I can see through you Ain't got the answers - But I got plans for you Don't take it for granted - I can see through you I came empty handed - But I'm never falling through

Shivers down my backbone Need to hitch a ride Spaced out and on my own Sometimes it's hard to hide
