

Until The Morning

Spiritual Beggars

Don't know where I'm going
Don't know where I've been
I'm back in the hazy woods
I hear the mountains bark

Until the morning comes
I'll rest my head in my arms
Until the morning line
I stay awake
I stay awake

I see no point in
Staying sane
I sell my days to keep
My demons in control

Until the morning comes
I'll rest my head in my arms
Until the morning line
I stay awake
I stay awake

I'm galloping towards death
I'm not apologising, not begging
When you reach knowledge
You will understand
