We Are Free

Spiritual Beggars

The stage is ready - amps are buzzing And the crowd is roaring Anticipation, admiration
The show is on

We were looking for something to believe in And we found it in music We lose ourselves in the moment Food for our souls

And we are free We are free

In the volume, in the power
We stand as one
Body and soul - no mind control
This night will never end

We were looking for something to believe in And we found it in Rock and Roll We lose ourselves in the moment Food for our souls
