Wise as a serpent

Spiritual Beggars

When you think i'm going out
I will rise up again
Gonna rain on your parade
Steal your thunder, make you pray

Wise as a serpent Hungry like a wolf

All this time i've been away You'll be joyed, what is mine Here i am by hand of fate You damned fool, i pity you

Wise as a serpent Hungry like a wolf

Wise as a serpent Hungry like a wolf Wise as a serpent Hungry like a wolf
