

Goodnight Goodnight

Spiritualized

Goodnight, goodnight
You're coming down,
But it's alright.
And don't look down,
there's better things

R: I'll hold you close,
You'll be alright

Goodnight, goodnight
You're coming down,
Well it's ok.
Don't look down,
There's better things,
Another day.

R:

Goodnight goodnight,
you're coming down,
Well bless your soul.
And don't look down,
there's better things
tomorrow holds.
