

# Lord Let It Rain on Me

Spiritualized

Jesus Christ,  
When your back's against the wall  
It's sure hard to be grateful  
When you've nothing here at all  
You say that Hell's below us, Lord  
Heaven can be mine  
I don't believe your promises  
I don't believe your lies

And, Lord, let it rain on me  
Let it all come down  
I'll sell my soul to let it roll  
And I'm about ready now

Lord, let it rain on me  
Now I know I'm goin' down  
I've got a little knowledge, Lord  
And I'm about ready now

Jesus Christ,  
Look at what you've gone and done  
2,000 years of lookin' down  
The barrel of a gun  
You got the fools believin'  
That there's something else to gain  
Jesus Christ,  
When you comin' down again?

And, Lord, let it rain on me  
Let it all come down  
I'll sell my soul to let it roll  
And I'm about ready now

Lord, let it rain on me  
Now I know I'm goin' down  
I've got a little knowledge, Lord  
And I'm about ready now

And, Lord, let it rain on me  
Let it all come down  
I'll sell my soul to let it roll  
And I'm about ready now

Lord, let it rain on me  
Now I know I'm goin' down  
I've got a little knowledge, Lord  
And I'm about ready now

And, Lord, let it rain on me  
Let it all come down  
I'll sell my soul to let it roll  
And I'm about ready now

Lord, let it rain on me  
Now I know I'm goin' down  
I've got a little knowledge, Lord  
And I'm about ready now

And, Lord, let it rain on me  
Let it all come down  
I'll sell my soul to let it roll  
And I'm about ready now

Lord, let it rain on me  
Now I know I'm goin' down  
I've got a little knowledge, Lord  
And I'm about ready now
