

## Shine a Light

Spiritualized

When I'm tired and all alone  
Lord shine a light on me  
And when I'm lonesome as can be  
Lord shine a light on me  
When I'm tired and all alone  
Lord shine a light on me  
And when I'm lonesome as can be  
Lord shine a light on me  
Lord shine a light on me  
Lord shine a light on me  
Lord shine a light on me
