

Stay with Me

Spiritualized

Oh babe
I love the way you smile
Stay with me
Smile all the time, don't go
I love the way you slide
Stay with me
Slide all the time, don't go
I love the way you're mine
Stay with me
Hold me all of the time

Oh babe
I love it when you slide
Stay with me
Slide all the time, don't go
I love the way you smile
Stay with me
Smile all the time, don't go
I love the way you're mine
Stay with me
Hold me all of the time

Oh babe
I love it when you slide
Stay with me
I love the way you're mine
Don't go
I love it when you smile
Stay with me
I love the way you're mine
Don't go
You make it all so fine
You make it all so fine
