

This Little Life of Mine

Spiritualized

This little life of mine
I'll gonna let it slide
I'm gonna let it burn
Cuz I'm getting sick of trying
just gonna let it go down
I'm gonna leave it burn
Ain't gonna get to slow down
gonna get it up too much.
Ain't gonna take good care of it
baby its mine.

This little baby of mine
I'm gonna get
I'm gonna let it down
Cuz I'm getting sick and tired
just gonna let it slow down
I'm gonna leave it burn
I'm gonna let it roll, baby,
I'm gonna let it roll

This little life of mine
I'm gonna let it slide
I'm gonna let it burn
Cuz I'm getting sick of trying
Just gonna let it go down
I'm gonna leave burn
I'm gonna let it roll
I'm
Ain't gonna take good care of it baby
