

Don't Say I

Spitalfield

These words you write, they break me
These tears you cry, they make me
Forget why, I play this game alone
Forget why, I play this game alone
And after all is taken
And after all is breaking

Don't say I didn't have my reasons
To pack up all my feelings
Try to find a...falling star! a falling star!
Don't say I
Don't say I
Don't say I
Don't say I

After all these between lines
Uncountless tries and I don't know why
I waste my time and take my time with emptiness, for your happiness

After all this taking
And after all this breaking..down

Don't say I
Didn't have my reasons
To pack up all my feelings and falling star!

After all these between lines (don't say I)
Countless tries and I don't know why (know why)
I'll waste my time and spend my time with emptiness for your happiness.
Falling star!

Don't say I
Don't say I, (I)
Don't say I, (I)

Try to find a falling star!
