

Novocaine

Spitalfield

Dream a picture of how you see me, yeah
Put yourself in I'm there
With the words to the song you hear listen close my dear
Its like we're almost there, just a pinch of novocaine

If you won't be the one to ease my pain, just say my name
Sweet sweet novocaine

Put your faith in a show everyone is waiting for you there
I can hardly see anything
Catch the worm by its tongue a few more words and i'll be done
yeah
what will i ever really be, just a pinch of novocaine

If you won't be the one to ease my pain, just say my name
Sweet sweet novocaine

Wake me take me anywhere that i don't have to be
You don't have to say my name i don't have to be me
Just a pinch of novocaine

If you won't be the one to ease my pain, just say my name
Sweet sweet novocaine
If you won't be the one to ease my pain, just say my name
Sweet sweet novocaine

Call the extras to the set and turn the lights up
Oh oh oh oh Aren't we finished yet? I'm finished
Call the extras to the set and turn the lights up
Oh oh oh oh Aren't we finished yet? I'm finished
