

The Future Is Now

Spitalfield

Listen to me beauty queen
I've been dancing darling please
Hold on loosely
Use me tease
Hold on loosely
Don't lose me please
you smoke another cigarette
Hoping you'll be better for it
You meant it for the first time
Just like you said it
The last time
I am dying darling please please
Lets go someplace we don't know
Catch our problems
Let them go
Take me gorgeous
Rape me slow
Set me straight and
Leave alone
Tonight
you smoke another cigarette
Hoping you'll be better for it
You meant it for the first time
Just like you said it
The last time
Just like you said
Just like you said
Just like you said
Just like you said
listen to me beauty queen
I've been dancing darling please please
