

Beware of Darkness

Spock's Beard

Watch out now
Take care beware of thoughts that linger
Winding 'round inside your head
And the pain that often lingers
In the dead of night
In the dead of night
Beware of darkness
Watch out now
Take care beware of greedy leaders
Who take you where you should not go
While weeping at the cedars
In the dead of night
In the dead of night
Beware of sadness
It can kill you, it can hurt you
Make you sore and what is more
That is not what you are here for
Watch out now
Take care beware of soft shift shufflers
They're dancin' down the sidewalk
While each unconscious sufferer
Wanders aimlessly in the dead of night
Beware of darkness, it can kill you
Beware of darkness, it can cut you down
Beware of darkness
