The Meaning Of...

Spoken

Good morning my love, I was just dreaming about you You are all that is beautiful Everything that I hold dear, you are the better part of me Apart from you there's no other, there will never be another

I never knew it could be so easy to love Until I put my arms around you, that's when I knew that it was Love is so often hard to find Now that you are mine, I'm holding onto you, holding onto you

Good morning my son, I was just thinking about you Greet the morning with a smile Spread your arms and reach for the sky, everything is new Today everything is new Now you are mine, I'm holding onto you my love There is no other, there will never be another, now you are min e I have found the meaning of love, the meaning of love
