

# All This And Nothing

Sponge

All of God's people  
Look from the outside in  
You know them too well  
But do you mirror their nightmares

What more could you ask for  
For all this and nothing  
To talk deep on the inside  
And you know that you will

But I'll give a mind any reason  
To fall and take the easy way out  
I'll never give under pressure, give my permission  
I bet you say that you will

All of God's people  
And all them good people  
And all of God's people

They don't look like me  
They don't look like me  
They don't look like me  
They don't look like me, yeah yeah yeah yeah

Oooh  
Oooh hey hey aaaah aaaah  
Aaaah aaaah  
Hey hey, aaah hey, aaaah, yeah, aaah yeah yeah yeah

I'll never mind any reason  
To fall and take the easy way out  
I'll never give under pressure, give my permission  
Well, I bet you say that you will

All of God's people  
All them, God's people  
All of God's people

They don't look like me  
They don't look like me  
No, they don't look like me (all of God's people)  
They don't look like me (all of God's people)

They don't look like me (all of God's people)  
No, they don't look like me (all of God's people)  
Ooooooh  
They don't look like me

All of God's people  
Look from the outside in  
You know them too well  
But do you mirror their nightmares

What more could you ask for  
For all this and nothing  
To talk deep on the inside  
And you know that you will, yeah

Ooooooh, yeah yeah
