

# Sanitarium

Sponge

Now I sit and stare into the burning sun  
It all fades to black in this sanitarium  
Now I don't care if tomorrow never comes  
I've got some new friends in this sanitarium

Now my friends don't come to see me  
And if they did, I wouldn't know who they are  
I know they'd ask me exactly when I cracked  
I've been lost so long, I aint never coming back

Now I sit and stare into the burning sun  
It all fades to black in this sanitarium  
Now I don't care if tomorrow never comes  
I've got some new friends in this sanitarium

Now you might not think I'm crazy  
And now I'm right where I belong  
I've got to tell you that I made it home at last  
I aint lost my mind, I've just given up on the past

Now I sit and stare into the setting sun  
It all fades to black in this sanitarium
