

# The Drag Queens Of Memphis

Sponge

With a sparkle boot on the  
Grave of Elvis he shouted " Hey King, I'm here  
It's your Queen  
And it's been such a long time my friend and I've  
brought a couple of beers"  
There's Drag Queens  
There's Drag Queens  
In Memphis  
With a giddy up and a rodeo with killer  
Detroit style and killer Detroit smiles  
They had sparkles on their footsteps  
you know they even had cowboys stuck  
in their eyes  
There's Drag Queens  
There's Drag Queens  
In Memphis  
Otis, I can still hear you are sitting  
out on the dock  
The music will never stop  
Sam and Dave said "Get ready"  
you know the rest said "I'm comin'  
I'm comin' " baby, make it last
