

Ocean Of Power

Spooky Tooth

People try hard sometimes to hold me down
Just because I refuse to think like they do
But my thoughts have raised me from the ground
Since I found the lord I feel the truth

See them laugh, see them laugh
See how they stare blind at my feelin'
More than an ocean of power
Couldn't hold me down again

More than an ocean of power
(ocean of power)
Could change my mind - not
how I feel More than an ocean of power
(ocean of power)
'Cause how I feel
I know is real

Dedicated laws fly away
By and by my spirits learn to fly
People say my time seems also wasted
Searchin' for the lord takes more than time

See them laugh, see them laugh
See how they stare blind at my feelin'
More than an ocean of power
Couldn't hold me down again

More than an ocean of power
(ocean of power)
Could change my mind - not
how I feel More than an ocean of power
(ocean of power)
'Cause how I feel
I know is real

See them laugh, see them laugh
See how they stare blind at my feelin'
More than an ocean of power
Couldn't hold me down again

More than an ocean of power
(ocean of power)
Could change my mind - not
how I feel More than an ocean of power
(ocean of power)
How I feel I know is real

More than an ocean of power
(ocean of power)
Could change my mind - not
how I feel More than an ocean of power
(ocean of power)
'Cause how I feel
I know is real
