

## Ocean Of Power

## Spooky Tooth

People try hard sometimes to hold me down  
Just because I refuse to think like they do  
But my thoughts have raised me from the ground  
Since I found the lord I feel the truth

See them laugh, see them laugh  
See how they stare blind at my feelin'  
More than an ocean of power  
Couldn't hold me down again

More than an ocean of power  
(ocean of power)  
Could change my mind - not  
how I feel More than an ocean of power  
(ocean of power)  
'Cause how I feel  
I know is real

Dedicated laws fly away  
By and by my spirits learn to fly  
People say my time seems also wasted  
Searchin' for the lord takes more than time

See them laugh, see them laugh  
See how they stare blind at my feelin'  
More than an ocean of power  
Couldn't hold me down again

More than an ocean of power  
(ocean of power)  
Could change my mind - not  
how I feel More than an ocean of power  
(ocean of power)  
'Cause how I feel  
I know is real

See them laugh, see them laugh  
See how they stare blind at my feelin'  
More than an ocean of power  
Couldn't hold me down again

More than an ocean of power  
(ocean of power)  
Could change my mind - not  
how I feel More than an ocean of power  
(ocean of power)  
How I feel I know is real

More than an ocean of power  
(ocean of power)  
Could change my mind - not  
how I feel More than an ocean of power  
(ocean of power)  
'Cause how I feel  
I know is real
