

## Metal Detektor

Spoon

Metal detektor ringing  
As I'm walking through the door  
With every chance I take  
I can feel it start to break  
To start to break some more  
It's going down some more  
I'm gonna break the bank  
Of the Texas and walk out  
It's a lie no more  
All through with playing the wall  
I'm gonna break the bank of Dakota  
And walk right back out  
It's going down some more  
Not gonna fake it no more  
Just gonna break the bank of the Texas  
And walk right out  
And make the sound  
Of getting kicked when you're down  
I'm gonna break the heart of Chicago  
And walk right back out  
Metal detektor ringing  
As I walk on through the door  
Metal detektor ringing  
As I'm walking through the door, yeah
