Sister Jack

Always on the outside Always looking in I was in this drop D metal band we called Requiem And they'd say relax But I can't be a man this far down on the map

I saw sold for suspect drawings Underneath the makeshift awnings Now I'm yours Know I'm here Read it all front and back But I can't relax With my knees on the ground and a stick in my back Sister Jack

I was on the outside I was lookin in I was in a drop D metal band we called Requiem And I can't relax With my knees on the ground and a stick in my back Sister Jack

No I can't just relax Knowing that you're coming back Sister Jack
