Keep believing the things that you tell yourself Everyone needs something they can tell themselves To hold on to cause after all of it's said and done

Confession is stay don't go Ooh it is Ooh now stay don't go

At times you find that the truth is the best way out Sometimes telling the truth is the best way out And it's the wrong words that make you prick upi your ears When later alone

Confession is stay don't go Ooh it is Ooh now stay don't go
