

Fall into you

.sPout.

You look so,
fingalickin' good,
fingalickin' good,
fingalickin' good,
you taste so,
fingalickin' good,
fingalickin' good,
fingalickin' good,

You are something special for me,
I need to smell you,
I need to taste you,
I need to smell your hair,
I want to taste your skin,
I can't resist you,
I want to come over you,
I want to get into you,
what I need is to be with you,
I need you by my side,
I need you every day,
I need you every night,
I don't know what to do
when you're not by my side,
I don't know what to do
when I can't be with you

I want to fall
into you,
let me fall
into you,
want to come
over you,
need to get
into you,
want to fall
into you,
need to smell
your hair,
your skin,
your breath,

you look so
fingalickin' good,
fingalickin' good,
fingalickin' good.

You look so
fingalickin' good,
you taste so
fingalickin' good,
don't get me wrong,
what I say is true,
I want to fall into you

I need you awake,
I need you asleep,
I need you every day,

I need you on my way,
I like the way you walk,
I like the way you talk,
I need to see that you,
are walking next to me,
I need you talking to me,
no matter what you say,
I need you by my side,
I need you every day and night,
I don't know what to do,
when you're not by my side,
I don't know what to do
when I can't be with you.

I want to fall
into you,
let me fall
into you,
want to come
over you,
need to get
into you,
want to fall
into you,
need to smell
your hair,
your skin,
your breath,

you look so
fingalickin' good,
fingalickin' good,
fingalickin' good.

You look so
fingalickin' good,
you taste so
fingalickin' good,
don't get me wrong,
what I say is true,
I want to fall into YOU!!!

I want to fall into you,
I need to fall into you,
I want to come over you

You look so
fingalickin good,
you taste so
fingalickin good,
don't get me wrong,
what I say is true,
I want to fall into you,

Into you -
I want to fall into you,
Into you -
I want to fall into you,
I want to fall into you,
I want to fall into you.
fall into you -
into you -
I want to fall into you -

into you
