

Turning Japanese

Sprung Monkey

I've got your picture
Of me and you
You wrote "I love you"
I love you too

I sit there staring and there's nothing else to do
Oh it's in color
Your hair is brown
Your eyes are hazel

And soft as clouds
I often kiss you when there's no one else around
I've got your picture, I've got your picture
I'd like a million of you over myself

I asked the doctor to take your picture
So I can look at you from inside as well
You've got me turning up and turning down and turning in and turning
'round
I'm turning Japanese I think I'm turning Japanese I really think so

Turning Japanese I think I'm turning Japanese I really think so
I'm turning Japanese I think I'm turning Japanese I really think so
Turning Japanese I think I'm turning Japanese I really think so
I've got your picture, I've got your picture

I'd like a million of them over myself
I want the doctor to take your picture
So I can look at you from inside as well
You've got me turning up and turning down and turning in and turning
'round

I'm turning Japanese I think I'm turning Japanese I really think so
Turning Japanese I think I'm turning Japanese I really think so
I'm turning Japanese I think I'm turning Japanese I really think so
Turning Japanese I think I'm turning Japanese I really think so

No sex, no drugs, no wine, no women
No fun, no sin, no you no wonder it's dark
Everyone around me is a total stranger
Everyone avoids me like a cyclone ranger
Everyone

That's why I'm turning Japanese I think I'm turning Japanese I really
think so
Turning Japanese I think I'm turning Japanese I really think so
I'm turning Japanese I think I'm turning Japanese I really think so
Turning Japanese I think I'm turning Japanese I really think so
Turning Japanese I think I'm turning Japanese I really think so
Turning Japanese I think I'm turning Japanese I really think so
(think so think so think so)
Turning Japanese I think I'm turning Japanese I really think so
