No Woman No Cry

[spunge]

'Cause I remember,
When we used to sit
In the Government yard in Trenchtown.

Good friends we've had,
Good friends we have lost:
In this bright future,
You can't forget your past.

We say:

Everything's gonna be alright now,
Everything's gonna be just fine!
Everything's gonna be alright,
Everything's gonna be just fine!

Everything's gonna be alright now,
Everything's gonna be just fine!
Everything's gonna be alright,
Everything's gonna be just fine!

'Cause I remember,
When we used to sit
In the Government yard in Trenchtown.
And then Georgie would make the fire-lights,
Logwood burnin' through the nights, yeah.

Everything's gonna be alright now,
Everything's gonna be just fine!
Everything's gonna be alright,
Everything's gonna be just fine!

Everything's gonna be alright now,
Everything's gonna be just fine!
Everything's gonna be alright,
It's gonna be just...

No woman, no cry.
You got no woman?
Don't cry!
No woman, no cry.
You got no woman?
Don't cry!

We say...

Everything's gonna be alright now,
Everything's gonna be just fine!
Everything's gonna be alright,
Everything's gonna be just fine!

Everything's gonna be alright now,
Everythong's gonna be just fine!
Everything's gonna be alright now,
It's gonna be just...

No woman, no cry.

You got no woman?
Don't cry!
You got no woman?
Don't cry!
No woman, no cry.

'Cause I remember,
When we used to sit
In the Government yard in Trenchtown.
Good friends we've had,
And good friends we have lost:
In this bright future,
You can't forget your past.

We say...

Everything's gonna,
Everything's gonna,
Everything's gonna be alright!
Everything's gonna,

Everything's gonna,
Everything's gonna be just fine!
Everything's gonna,
Everything's gonna,

Everything's gonna be alright!
Everything's gonna,
Everything's gonna,
It's gonna be just...

No woman, no cry.
You got no woman?
Don't cry!

You got no woman?
Don't cry!
You got no woman?
Don't cry!
