Goodbye Girl

I met her in a poolroom Her name I didn't catch She looks like something special The kind who'd understand The room was almost spinning She pulled another smile She had the grace like pleasure She had a certain style

Sunlight on the lino Woke me with a shake I looked around to find her but she'd gone Goodbye girl Goodbye girl Goodbye girl

She took me to a motel A room on the second floor A kettle and two coffees A number on the door She said I hardly know you Agreed we kissed goodnight I knew that in the morning Somehow I'd wake to find

Sunlight on the lino Wakening me with a shake I looked around to find her but she'd gone Goodbye girl Goodbye girl Goodbye girl

I lost my silver bracelet My clubroom locker keys The money in the billfold It doesn't bother me My wife has moved to Boston So mud is not the word If you ever see her Say hello goodbye girl

Sunlight on the lino Woke me with a shake I looked around to find her but she'd gone Goodbye girl Squeeze
