If It's Love

You've left my ring by the soap, Now is that love? You cleaned me out you could say broke, Now is that love? The better better better it gets The more these girls forget That that is love. You won't get dressed you walk about, Now is that, is that A teasing glance has pushed me out, Now is that, is that The tougher tougher tougher it gets The more my lips frequent Now that is love. Beat me up with your letters, your walk out notes, Funny how you still find me right here at home. Legs up with a book and a drink, Now is that love that's making you think. You've called my bluff I'm not so hot, Now is that love My assets froze while yours have dropped, Now is that, is that It's the cupid cupid cupid disquise That more or less survived Now that is love. Beat me up with your letters, your walk out notes, Funny how you still find me right here at home. Legs up with a book and a drink, Now is that love that's making you think. You've made my bed the finger points Now is that, is that love The more you more you more you cool down The easier love is found Now that is love.
