

Strong in Reason

Squeeze

You get your trunks
Out of the drawer
You see yourself
As once before
Strong in reason
Strong in reason
The empty box
Lies on the chair
Another steroid
Grease your hair and you're
Strong in reason
Strong in reason

The sun-ray lamp
Is put away
There is no need
To be afraid
Strong in reason
Strong in reason

So fix yourself
Into a shape
Your audience
Is half awake and you're
Strong in reason
Strong in reason

The time has come
To flex your back
Another day
For you, meat-rack
Strong in reason

Strong in maker
Strong in arm
Strong with almost perfect charm
Strong intention
Strong in strength
Strong in almost every sense
