

## A Johnny Ace Christmas

Squirrel Nut Zippers

It's Christmas Eve, people  
But someone's got to go  
It's Christmas Eve, people  
But someone's got to go

I never thought he'd have the nerve  
But that just shows you what I know

He had a sweet and lonely voice  
How I wish that he had stayed  
He had a sweet and lonely voice  
How I wish that he had stayed

But the dealer dealt the cards  
And the ace has done been played

He used to talk about forever  
Forever and a day  
But when you get down to it  
Things just don't work out that way

Merry Christmas Johnny  
Though you're leavin' now  
The anticipation's better  
Than the real thing anyhow
