## I've Found A New Baby

## **Squirrel Nut Zippers**

I've found a new baby
I've found a new girl
My fashion plate baby
Got me in a whirl, whirl, whirl

New kind of lovin' Done made me her slave Sweet turtle dovin' Is all that I crave

Sweetest miss with a kiss Full of bliss, can't resist Tells me lies but she's wise Naughty eyes mesmerize

You know I don't mean maybe Baby I just had to fall And that's why, that is why I say "Swing you dogs"

I don't mean maybe I have found a new baby So baby that's all
