

Prince Nez

Squirrel Nut Zippers

She:

Anywhere old Prince Nez goes
That's where I go too
He clears up a stormy sky,
Whenever he's by my side.
Everything's nearer, everything's clearer
Everything's so divine.
I don't care what momma sez
Prince Nez I'm gonna make you mine.

He:

Anywhere old Prince Nez goes
That's where she goes too!
Always so debonair.
Flirting with such a flair.
(Oh you dog!)
Everything's hazy, everything's crazy
Everything's up in the air.
My gal sez she loves Prince Nez
But I really don't care.
