

## Gone

SR-71

Do you feel the need  
To laugh behind my back?  
Does it make up for  
All the things you seem to lack?  
But I see through you  
Jealousy can't make you strong  
I'll walk right through you  
You'll close your eyes and I'll be...

R: Gone...do everything to prove you  
Wrong...You're the ones that don't  
Belong...Now you finally see that  
I just can't stay in one place  
Where I get torn down  
When there's nobody else around

What doesn't kill me  
Only makes me strong  
If you can't feel me  
Just close your eyes cause I'll be

R:

All my life I've tried to find  
My place where I fit in  
Now I find in the dark I'm blind  
To what everybody else thinks I am
