

Gone

SR-71

Do you feel the need
To laugh behind my back?
Does it make up for
All the things you seem to lack?
But I see through you
Jealousy can't make you strong
I'll walk right through you
You'll close your eyes and I'll be...

R: Gone...do everything to prove you
Wrong...You're the ones that don't
Belong...Now you finally see that
I just can't stay in one place
Where I get torn down
When there's nobody else around

What doesn't kill me
Only makes me strong
If you can't feel me
Just close your eyes cause I'll be

R:

All my life I've tried to find
My place where I fit in
Now I find in the dark I'm blind
To what everybody else thinks I am
