## Sky

I painted a picture, of a day gone past An ancient scripture, a house of glass People looking through the window Never knowing what they'd find When they couldn't see me I locked the door, left them behind The sky will tell me... I'm not the only one And the sky will tell me... I must believe the sun

I shut my eyes, to not go blind Things I can't see, I see in my mind Oh now the passing clouds of rain Have surely passed us by Poor is the man That believes his own lie

And the sky will tell me I'm not the only one And the sky will tell me I must believe the sun And the sky will tell me Long may you run And the sky will tell me I must believe the sun (Yeah)

If I was wrong judge... me by name
I simplify... one and the same

And the sky will tell me (and the sky will tell me) I'm not the only one (I'm not the only one) And the sky will tell me (and the sky will tell me) I must believe the sun (I must believe the sun) And the sky will tell me (and the sky will tell me) Long may you run (long may you run) And the sky will tell me (and the sky will tell me) I must believe... (I must believe) the sun (Yeah)
