

## Champagne Year

St. Vincent

So I thought I'd learned my lesson  
But I secretly expected  
A choir at the shore  
And confetti through the fall night air

I'll make a living telling people what they want to hear  
It's not a killing, but it's enough to keep the cobwebs clear

Cause it's not a perfect plan  
It's not a perfect plan  
But it's the one we've got

It's not a perfect plan  
But it's the one we've got

Cause I make a living telling people what they want to hear  
But I tell ya, it's gonna be a champagne year
