

Now, Now

St. Vincent

(I'm not) your mother's favorite dog
(I'm not) the carpet you walk on
(I'm not) one small atomic bomb
(I'm not) any, any, any, any, any, any, anything at all

(I'm not) the feather at your feet

(I'm not) your yellow brick street

(I'm not) anyone you'll see

(I'm not) any, any, any, any, any, any, anything

Now, now

Now, now

Now, now

You don't mean that, say you're sorry
You don't mean that, say you're sorry
You don't mean that, say you're sorry
You don't mean that, I'll make you sorry

(I'm not) the pawn to your king

(I'm not) your world on a string

(I'm not) anyone you'll beat

(I'm not) any, any, any, any, any, any, anything

Any, any, any, any, any, any, anything

Now, now

Now, now

Now, now

You don't mean that, say you're sorry
You don't mean that, say you're sorry
You don't mean that, say you're sorry
You don't mean that, I'll make you sorry

You don't mean that, say you're sorry

You don't mean that, say you're sorry

You don't mean that, say you're sorry

You don't mean that, say you're sorry

You don't mean that, say you're sorry
