Optimist

St. Vincent

Waiting, but I don't mind
I'm all bus stops and heat
I'm neon in your daylight
I'm the optimist of 30th Street
How it is is how it oughta be

I got anything but moneyed esteem Drinks on Condè Nast
I'm the optimist of 30th Street
How it is is how it oughta be

I spy Vivian Girls on the Up, Upper East There's no reason to be upset There's no reason to not expect

There's no room for emptiness No tea no sympathy No room for emptiness On a never empty street
