

# Hopeless

## Stabbing Westward

Innocence  
Stumbling around  
Holding onto anyone who'll hold on to you  
Innocence  
Is hurt again  
But is it really worth the pain?

You are helpless  
You are selfish  
You are hollow inside  
You are hopeless...

Innocence  
Lost along the way  
To anywhere or anyone who'll hold on to you  
Innocence  
Is hurt again  
But is it really worth the pain?

You are helpless  
You are selfish  
You are hollow inside  
You are hopeless
